March 2010

Hi Everyone ...

The months are just ticking along. We hope all those who attended the Blues & Brews or Wine Festival had a fantastic day out. It's so great to see more of you looking after yourself, we've noticed a big change this year with people treating themselves more regularly to treatments that make them feel good and buying good products to gain good results. Our apologies go out to any clients finding it hard to book appointments; we have taken on 1 extra specialist and 1 Beauty Therapist starting March & May to help us all out. We seem to always put ourselves last, too busy looking after others and doing the day-to-day chores, but at the end of the day if we feel good from looking after ourselves we cope better with hectic schedules. DO YOU WANT TO FEEL GOOD? We look forward to seeing you soon!

Kelly and the Marlborough Day Spa & Beauty Team.
